LOCATION:

Perched on the dramatic coastline of the Scottish Borders, St Abbs is an exceptional village renowned for its rugged natural beauty, peaceful ambience and strong sense of community. Overlooking striking cliffs and the sparkling expanse of the North Sea, the village offers a rare opportunity to enjoy an inspiring seascape setting alongside the comfort and charm of a traditional Borders community. St Abbs lies just a short distance from the bustling harbour town of Eyemouth and the historic market town of Berwick-upon-Tweed, each providing a wide selection of independent shops, cafes, restaurants and everyday amenities. Excellent road and rail connections place Edinburgh within comfortable commuting distance, while local services, schooling and leisure facilities are readily accessible throughout the wider area. For those who relish the outdoors, St Abbs is truly exceptional. The village is home to the famed St Abbs Head National Nature Reserve, with its dramatic cliff paths, wildlife-rich landscapes, and far-reaching sea views. The clear waters of St Abbs Marine Reserve attract divers and coastal adventurers from across the world, while walkers, photographers and nature enthusiasts are spoiled for choice at every turn.

DESCRIPTION:

A rare opportunity has arisen to purchase a four-bedroom home in St Abbs within a more accessible price range. The property is currently a second home and presents an excellent chance to secure a holiday home or a spacious family home. The previous owners have significantly extended the property, adding a generous rear sun lounge which complements the existing ground-floor living room. The layout also includes a breakfast room, kitchen, porch, cloakroom, utility room and a gardener's wc, all providing internal access to the attached garage. The attic has been thoughtfully converted to create two additional bedrooms, transforming what was once a two-bedroom semi-detached house into a well-proportioned four-bedroom property. While some modernisation would be beneficial, this home offers extensive potential for further improvement and personalisation.

EXTERNALLY:

Set on a generous corner plot within a quiet cul-de-sac in the picturesque coastal village of St Abbs, this property offers excellent outdoor space and versatile parking options. To the front, there is a garden area alongside driveway parking leading to an integral garage. Additional parking is available in the rear garden, accessed from the side of the property. The rear garden also benefits from a gate opening directly onto a pathway which leads straight to the coastal path—one direction taking you into the heart of St Abbs, and the other guiding you down to the beautiful sands of Coldingham Bay. It is clear the garden was once carefully landscaped, featuring ponds and patio areas, and with some attention it could be restored to its former charm.

SERVICES:

Mains Electricity, Water & Drainage.
