LOCATION:

Set in a convenient location in the heart of Coldstream; the first Border town in Scotland and the original home of the Earl of Home whose estate, The Hirsell, offers lovely countryside wildlife walks as well as a cafe and craft shops. The town sits on the River Tweed, renowned for its salmon fishing, just over the Scottish Border to the North of the Cheviot Hills, offering a wide range of amenities which include pubs, shops, cafes, Community Centre, doctors and dentist surgeries. Coldstream lies approx. 15 miles from the East Coast railway station in Berwick-upon-Tweed and approx. 9 miles away from the Borders town of Kelso, both with a wider variety of amenities.

DESCRIPTION:

A substantial stone-built terraced home with garden, garage and detached stables. Behind its modest stone facade, this charming three-bedroom terraced house reveals a beautifully spacious and thoughtfully designed home, complete with garage pend parking, a delightful garden, and a pretty brick-built detached stable with hay loft. The interiors have been decorated with sumptuous floral flair, featuring the unique use of high-quality fabrics as wallcoverings, creating a truly distinctive style. At the heart of the property is a luxurious, well-equipped chef's kitchen with a central island incorporating an induction hob. Additional appliances include two dishwashers, a double oven, AGA cooker, integrated fridge freezer, and a freestanding American-style fridge freezer neatly fitted into a recess. The ground floor also offers a welcoming living room with open fire, a bright sun/dining room, ample storage, shower room, and a garage which also serves as a pend through to the garden. Upstairs, the first floor provides three bedrooms, WC, and a bathroom / laundry room, with the convenience of plumbing for a washing machine. This property is full of surprises, combining period charm with unique design and modern practicality. Viewing is highly recommended to appreciate the space and lifestyle this exceptional home offers.

EXTERNALLY:

The property is accessed directly from Duns Road, with an electric roller garage door to the left of the main entrance. This opens into the garage, which also features double doors at the rear, providing access through to a block-paved driveway with parking for several cars. Despite its central location, the property boasts a large, walled, and private garden with a hot tub with fixed gazebo - a true hidden gem. Several useful outhouses adjoin a detached brick-built stable with hay loft. This attractive building offers excellent potential for conversion (subject to the necessary permissions) and could serve as a studio, gym, workshop or annexe.
