7 Edington Mill, Chirnside, TD11 3LE

LOCATION:

Edington Mill lies on the banks of the Whiteadder Water, amidst the magnificent Scottish Borders countryside. Edington Mill is a secluded location with conversions and elegantly designed houses which were developed around 2004. The developers maintained and enhanced the integrity of the area with landscaping and fully restored the original mill lade to its former glory as a redeeming feature. This exclusive cluster of converted apartments, houses and mill conversions sits approx. 8 miles from Duns which offers a wide range of amenities. Although the property sits within Scotland in the Scottish Borders it is only approx. 7 miles from the A1 which by-passes the Northumberland market town of Berwick upon Tweed offering extensive amenities including larger supermarkets, wide variety of shops, restaurants as well as a great range of recreational facilities. Berwick upon Tweed has excellent transport links. The Berwick train station sits on the East Coast Rail Line with trains going from Berwick to London in under 4 hours and Berwick to Edinburgh or Newcastle in under 1 hour.

DESCRIPTION:

A spacious four-bedroom home in the exclusive Edington Mill Development. On the top floor, you'll find a spacious and light-filled master bedroom, complete with its own en-suite shower room, offering a private retreat from the rest of the house.
